Re: Subsidy Program for MPD Reimbursable Details

Dear Licensee:

Please be advised that the Alcoholic Beverage Control Board (Board) has adopted [emergency rules](#) that modify the terms of the Reimbursable Detail Subsidy Program due to available funds.

Effective Tuesday, July 1, 2014, the program will increase coverage to seven nights a week from two nights each week. The program will also allow for reimbursable detail coverage for certain special events. The daily hours that are eligible for reimbursement will continue to be 11:30 p.m. to 5 a.m.

If you have reimbursable details scheduled in July 2014, please contact Metropolitan Police Department (MPD) Detail Coordinator James Rogers immediately by:

- Phone: (202) 576-6600; or
- Email: psssb.adminbox@dc.gov or james.rogers@dc.gov.

Full payment is due to MPD at least five days prior to any detail; however, MPD will need confirmation of the days and hours for which a licensee will need reimbursable detail officers prior to generating a new invoice.

New licensees of on-premises establishments that would like to participate in the program will need to complete an [ABC Establishment Reimbursable Program Agreement](#) with MPD. The agreement may be obtained by contacting MPD Detail Coordinator James Rogers by:

- Phone: (202) 576-6600; or
- Email: psssb.adminbox@dc.gov or james.rogers@dc.gov.

If you have any questions regarding the modifications of this program, please contact the Alcoholic Beverage Regulation Administration at 202-442-4423.

Sincerely,
